Report of Principal and School Improvement Council

Belton-Honea Path High School Class of 2012 consisted of 210 graduates with 63 graduates recognized for being inducted into the National Honor Society, Beta Club, The Career and Technical Honor Society, or Tri-M. Graduating seniors as honor graduates qualified for 59 Hope Scholarships, 63 Life Scholarships, and 7 Palmetto Fellows Scholarships. The total scholarship dollars earned by the Class of 2011 was approximately \$2.7 million dollars.

To promote continuous improvement, we have focused on several areas of need. One such area of focus is increasing our End-of-Course (EOC) test scores as well as HSAP scores. Our teachers worked on developing common assessments, common planning, and careful analysis of student performance on benchmark tests. The result has been marked improvement in EOC scores as well as HSAP scores. Another area of concern is our struggling readers. We continue the Xtreme Reading and Strategic ELA classes with great success. Student success was in the forefront as the faculty at BHP embarked on the following initiative for 2011-2012: student motivation, Professional Learning Community, Common Assessment, Best Grading Practices, PBIS, and Staff Development.

BHP students excelled in Art, Band, Chorus, FFA, and Air Force JROTC during the 2011-2012 school year. The Band and Chorus competed numerous times throughout the school year and received Superior ratings. The ROTC Drill Team was named Overall Champion at the Patriot Classic Drill Meet. The FFA chapter competed in several state competitions and was named a National Gold Chapter. One of our instructors for ROTC was named Outstanding Instructor of the Year and our FFA instructor was named the South Carolina Agriculture Education Teacher of the Year.

Our athletic teams continue a strong tradition of excellence. Football, baseball, wrestling, girls' basketball, girls' tennis, and girls' soccer all made the state playoffs, and the wrestling team won the 2012 AAA State Championship.

Our school continues to receive support from our community. Parents, businesses, and the WebbCraft Foundation give tremendous support to our instructional and athletic programs. With the help of our community, our Renaissance Program provided over \$21,000 in scholarship monies during its annual Evening of Excellence.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
